

# IBM CLOUD ACCOUNT

The screenshot displays the IBM Cloud account dashboard. At the top, a navigation bar includes the IBM Cloud logo, a search bar, and links to Catalog, Manage, and the user's account (Deeparani S's Account). The main content area is titled "Dashboard" and features a "For you" section with several service tiles. The first tile is "Build", which includes a link to explore easy starter tutorials. Other tiles include "Build a web app with Watson Speech to Text", "Get started with Watson Discovery", "Access to a service within resource groups", and "Unlock t". Each tile has a "Getting started" button and a time estimate. A user menu is open on the right, showing options like Profile, Log in to CLI and API, Privacy, Change theme, and Log out. The bottom section contains "User access", "News", and "Planned maintenance" links.
